

# My Community

1. Complete the five faces below with pictures of five friends, members of your family or community that are important to you.

2. When you have drawn the faces, fill in each speech bubble with something that person might say about you. For example, your mum might say, 'I think my son/daughter is brilliant, but I wish they would tidy their bedroom!'

3. Now choose one of the five people above and write about them using these sentence starters.

I have chosen this person because:
